

## Unified Faculty Scholarship Model Resolution

*Affirming* the seven strategic goals positioned to serve our University's Vision and Mission,

*Bearing in mind* the need of transformation set forth by these goals,

*Cognizant* of the importance of faculty role in achieving these goals,

*Recognizing* the increased scope of the faculty's scholarly activities

*Aware of* the rigidity of the current definitions of scholarly activities, and

*Having studied* the UniScope scholarship model that provides transparency, consistency, and universality across colleges,

*Now therefore*, the Faculty Senate:

1. Endorses the UniScope Scholarship Model as a framework for scholarly activities;

2. Affirms that this requires "a culture change rather than a paper process"
