13.05 / TUITION AND FEES PAYMENT PLAN

I. INITIATING AUTHORITY

A. Financial Operations and Business Technology serves as the initiating authority this policy.

II. PURPOSE

A. The Payment Plan Program is intended to assist students in making tuition payments for a current semester through a payment plan.

III. POLICY

A. Payment Plan Program

1. Students whose financial circumstances are such that a payment plan is necessary will qualify for a payment plan. Students receiving financial aid from other sources sufficient to pay tuition and fees in full do not qualify for a payment plan.
2. The Payment Plan Program is to provide limited, ~~short~~ tuition and fee

3.5. Any refunds due students for dropping or withdrawal of classes will be applied to a student's payment plan balance.

4.6. No interest shall be charged to students.

5.7. Late fees are applied according to the
