In compliance with the Family Educational Rights and Privacy Act of 1974 (FERPA), your student financial records may not be shared with a third party without your written consent. Adding an authorized user is your written consent that an individual may view your account information and make payments on your behalf. Please note that authorized users **DO NOT** have access to your stored payment methods, academic records, or other personal information.

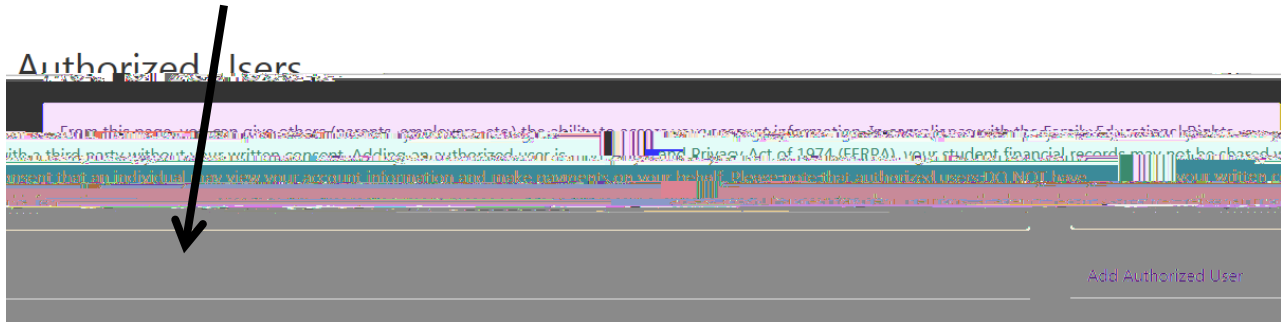

1. Log into myWSU. Click "myFinances" tab and click "Student Account Suite"

At the bottom right of the form, there are three buttons: "Cancel", "Print Agreement", and "Continue". Two black arrows originate from the instruction above: one points to the "I Agree" checkbox, and the other points to the "Continue" button.
